

A sunset scene over water with two silhouetted figures in the foreground. The sky is a deep orange and red, reflecting on the water's surface. Two figures are standing in the shallow water, their forms dark against the bright background. One figure is slightly to the left and appears to be looking down, while the other is to the right, looking towards the horizon. The overall mood is contemplative and serene.

**Rev 03:18 I counsel thee to buy of me
gold tried in the fire, that thou mayest
be rich; and white raiment, that thou
mayest be clothed, and [that] the
shame of thy nakedness do not
appear; and anoint thine eyes with
eyesalve, that thou mayest see.**
