

A terrarium scene featuring a waterfall cascading over several large, reddish-brown and grey rocks. The water is clear and glistening. The rocks are surrounded by lush green plants, including mosses and small, succulent-like plants. The background is filled with more greenery, creating a dense, naturalistic environment.

**Genesis 13:06 And the land was not able to bear them, that they might dwell together: for their substance was great, so that they could not dwell together.**
