

**Genesis 46:19 The sons of Rachel
Jacob's wife; Joseph, and Benjamin.**

A close-up photograph of a bouquet of white flowers. The central focus is a large, fully bloomed white rose with many layers of petals, showing a slight yellowish tint. To its right and slightly behind it is a cluster of baby's breath flowers, which are small, delicate white blossoms on thin green stems. The background is dark and out of focus, making the white flowers stand out prominently. The overall lighting is soft, highlighting the texture of the rose petals and the fine details of the baby's breath.
