

**Exodus 35:32 And to devise curious  
works, to work in gold, and in  
silver, and in brass,**

A close-up photograph of several vibrant orange and yellow iris flowers in bloom. The flowers are the central focus, with their petals showing a gradient from bright yellow at the center to deep orange at the edges. The background is a soft-focus mix of green leaves and a light-colored, possibly stone or concrete, surface. The lighting is bright, suggesting a sunny day outdoors.
