

**Deutronomy 03:09 Which Hermon  
the Sidonians call Sirion; and the  
Amorites call it Shenir;**

A close-up photograph of a large, light pink flower with a prominent, spiky center, surrounded by green leaves and other flowers in the background. The flower's petals are a pale pink color with darker pink veins. The center is a dense cluster of thin, dark, needle-like structures. The background is filled with green foliage and other flowers, including a purple one on the right.
