

The background of the image shows a dark, textured wooden surface. In the upper center, there is a circular metal object, possibly a ring or a decorative element, with a slightly raised, textured top. A vertical wooden post or beam runs through the center of the image, extending from the top to the bottom. The lighting is somewhat dramatic, with a bright spot near the bottom of the post, creating a sense of depth and texture in the wood.

2nd Kings 05:11 But Naaman was wroth, and went away, and said, Behold, I thought, He will surely come out to me, and stand, and call on the name of the LORD his God, and strike his hand over the place, and recover the leper.
