

A monarch butterfly with its characteristic orange and black wings is positioned on a surface of dark, jagged, reddish-brown rocks. The butterfly is oriented vertically, with its head at the top and tail at the bottom. The background is a dense field of similar rocks, creating a textured, natural setting. The text is overlaid in white, bold, sans-serif font, centered horizontally and spanning most of the vertical space.

another; beside his sin wherewith
he made Judah to sin, in doing
that which was evil in the sight of
the LORD.**
