

A monarch butterfly is perched on a spider web. The web is a complex, dark, and intricate pattern of fine threads, creating a mesh-like structure. The butterfly's wings are a vibrant orange with black veins and spots. The background is a soft, out-of-focus green, suggesting a natural outdoor setting. The overall scene is illuminated with a warm, golden light, highlighting the textures of the web and the butterfly's wings.

2nd Kings 25:27 And it came to pass  
in the seven and thirtieth year of  
the captivity of Jehoiachin king of  
Judah, in the twelfth month, on  
the seven and twentieth day of the  
month, that Evilmerodach king of  
Babylon in the year that he began  
to reign did lift up the head of  
Jehoiachin king of Judah out of
