

A close-up photograph of a rocky stream bed. The rocks are dark and textured, with patches of bright green moss growing on them. Water is flowing through the crevices between the rocks, creating small ripples and splashes. The background is slightly blurred, showing more of the stream and surrounding vegetation.

**Psalm 138:06 Though the LORD  
be high, yet hath he respect unto  
the lowly: but the proud he  
knoweth afar off.**
