

A close-up photograph of a pond filled with water lilies. Several large, vibrant green lily pads float on the surface, their edges slightly curled. Interspersed among the leaves are several white water lilies in various stages of bloom. The flowers have bright yellow centers and delicate white petals. The water is dark and still, reflecting the light. The overall scene is peaceful and natural.

**Mark 13:10 And the gospel must  
first be published among all  
nations.**
