

# **Word Study for --- ADVISEMENT**

A wide-angle photograph of a rural landscape. In the foreground, there's a green, slightly hilly field. Two distinct ridges of dark green trees run across the middle ground. A bright, multi-colored rainbow arches from the left side of the frame towards the right, positioned between the two ridges. The background is filled with a vast, cloudy sky, with darker, more turbulent clouds on the left and lighter, more scattered clouds on the right. The overall color palette is dominated by shades of green and blue.

1st Chronicles 12:19 And there fell  
some of Manasseh to David, when  
he came with the Philistines  
against Saul to battle: but they  
helped them not: for the lords of  
the Philistines upon advisement  
sent him away, saying, He will fall  
to his master Saul to the jeopardy  
of our heads.
