

**Job 21:34 How then comfort ye me
in vain, seeing in your answers
there remaineth falsehood?**

The background of the image is a dramatic sky filled with dark, heavy, grey clouds. A small, bright blue patch of sky is visible through a gap in the clouds on the left side. The overall tone is somber and atmospheric.

**Job 34:36 My desire is that Job may
be tried unto the end because of
his answers for wicked men.**

**Luke 02:47 And all that heard him
were astonished at his
understanding and answers.**
