A close-up photograph of a field of pansies. The foreground is dominated by a dense patch of bright yellow pansies with dark, almost black, centers. To the right and slightly behind the yellow patch, there is a large area of vibrant blue pansies. The background is a soft-focus continuation of these flowers, creating a rich, textured field of color. The lighting is bright and even, highlighting the delicate petals and the contrast between the yellow and blue.

thou art found, and also caught,
because thou hast striven against
