

**Word Study for --- FISHER'S**

The background of the slide is a close-up photograph of several oranges. The oranges are arranged in a somewhat circular pattern, filling the entire frame. They have a bright orange color with some yellowish-green at the top, indicating ripeness. The texture of the peel is clearly visible, showing the characteristic dimpled pattern of citrus fruits. The lighting is even, highlighting the natural colors and textures of the fruit.

**John 21:07 Therefore that disciple  
whom Jesus loved saith unto Peter,  
It is the Lord. Now when Simon  
Peter heard that it was the Lord,  
he girt his fisher's coat unto him,  
for he was naked, and did cast  
himself into the sea.**
