

An aerial photograph of a tropical coastline. The water is a vibrant turquoise color, transitioning to a deeper blue further out. A narrow, green peninsula with dense vegetation extends into the water. The overall scene is bright and clear, suggesting a sunny day.

Word Study for --- LINTELS

Zephaniah 02:14 And flocks shall
lie down in the midst of her, all
the beasts of the nations: both the
cormorant and the bittern shall
lodge in the upper lintels of it;
their voice shall sing in the
windows; desolation shall be in
the thresholds: for he shall
uncover the cedar work.
