

A close-up photograph of a white lily flower. The flower is in full bloom, showing its six petals and a central cluster of stamens and pistil. To the left, a green, unopened bud is visible. The background consists of green leaves, some in focus and some blurred. The text is overlaid on the upper half of the image.

**Hosea 09:16 Ephraim is smitten,
their root is dried up, they shall
bear no fruit: yea, though they
bring forth, yet will I slay even the
beloved fruit of their womb.**
