

A close-up photograph of a planter filled with various plants. The most prominent feature is a cluster of small, vibrant purple flowers with yellow centers, likely Verbena. There are also some blue flowers and green foliage. In the foreground, several long, thin, brownish leaves of a plant, possibly a palm or similar, are visible, some pointing upwards and others downwards. The background is a soft-focus green, suggesting more plants in the planter.

Jeremiah 49:39 But it shall come to  
pass in the latter days, that I will  
bring again the captivity of Elam,  
saith the LORD.
