

A close-up photograph of a tree branch, likely a sycamore, with several leaves in various stages of autumn. Some leaves are bright green, while others are yellowing or have brown spots. Small, green, spiky seed pods are visible on the branch. The background is a soft-focus green, suggesting a dense canopy of leaves.

**Proverbs 20:20 Whoso curseth his
father or his mother, his lamp
shall be put out in obscure
darkness.**
