

A serene winter scene of a forest. The ground is covered in a thick layer of snow. Numerous tall, thin, dark tree trunks stand vertically, some with snow on their lower parts. In the foreground and middle ground, there are several evergreen trees, likely spruce or fir, heavily laden with snow, their branches drooping under the weight. The background is a dense forest of similar trees, creating a sense of depth. The overall atmosphere is quiet and cold.

Isaiah 65:05 Which say, Stand by
thyself, come not near to me; for I
am holier than thou. These are a
smoke in my nose, a fire that
burneth all the day.
