

A close-up photograph of a strawberry plant. The image shows several green, serrated leaves with prominent veins. In the center, a single, ripe, bright red strawberry is visible, showing its characteristic seeds. To the right, there are several white flowers with yellow centers, some in full bloom and others as buds. The background is a dark, rich soil. The text is overlaid in white, bold, sans-serif font across the upper portion of the image.

**Genesis 03:07 And the eyes of them
both were opened, and they knew
that they were naked; and they
sewed fig leaves together, and
made themselves aprons.**
