

A close-up photograph of a garden. In the center, a large, fully bloomed white flower with a yellow center is prominent. To its left and right are several purple flowers of varying sizes. The background is filled with lush green leaves and stems, creating a dense, textured appearance. The lighting is bright, casting soft shadows on the petals and leaves.

**Exodus 10:13 And Moses stretched
forth his rod over the land of Egypt,
and the LORD brought an east
wind upon the land all that day,
and all that night; and when it was
morning, the east wind brought
the locusts.**
