

A close-up photograph of a flowering plant, likely a species of aster or chrysanthemum. The image is filled with numerous small, round flower heads in shades of pink and white, interspersed with vibrant green, serrated leaves. The background is a soft-focus field of similar flowers, creating a rich, textured appearance. The lighting is bright and even, highlighting the delicate details of the petals and the lush greenery.

**Leviticus 23:05 In the fourteenth
day of the first month at even is
the LORD's passover.**
