

A close-up photograph of a garden. The foreground is dominated by several large, bright red flowers with multiple petals, possibly a type of geranium or pelargonium. These flowers are set against a backdrop of dark brown, almost black, foliage that has a grass-like or blade-like texture. In the background, there are other plants, including some with small orange and yellow flowers, and green leaves. The overall scene is lush and colorful.

blood himself shall slay the
murderer: when he meeteth him,
he shall slay him.
