

A large tortoise, likely a Galapagos tortoise, is resting on the ground in an enclosure. The tortoise is positioned in the lower-left foreground, facing right. Its shell is a mottled brown color with distinct scutes. The ground is a mix of dirt and sparse green grass. In the background, there is a green-painted brick wall and several vertical wooden posts. The text is overlaid on the image in a white, serif font, centered horizontally and spanning most of the width of the image.
