

A large tortoise, possibly a Galapagos tortoise, is resting on a patch of dry, sandy ground with sparse green grass. The tortoise's head and front legs are visible, and its shell is a dark brown color with distinct scutes. The text is overlaid in white, bold, sans-serif font, centered over the tortoise's body.

2nd Chronicles 32:18 Then they

speech unto the people of
Jerusalem that were on the wall, to
affright them, and to trouble them;
that they might take the city.
