

A close-up photograph of a rocky stream. The water is cascading over several large, dark brown and grey rocks. The water is white and frothy as it falls, creating a small waterfall effect. The rocks are wet and have some green moss or algae growing on them. The background is slightly blurred, showing more rocks and water.

**Psalms 68:21 But God shall wound
the head of his enemies, and the
hairy scalp of such an one as goeth
on still in his trespasses.**
