

Psalm 107:22 And let them
sacrifice the sacrifices of
thanksgiving, and declare his
works with rejoicing.

A close-up photograph of several bright orange lily flowers. The flowers are in various stages of bloom, with some fully open and others as buds. The petals are a vibrant orange color with some darker orange or red streaks. The stamens are long and thin, with dark brown anthers. The background is a soft, out-of-focus green, suggesting a garden or field setting. The lighting is natural, highlighting the texture of the petals and the sharpness of the stamens.
