

A scenic view of a waterfall. In the foreground, a large, mossy rock formation is partially submerged in the rushing water. In the background, a large rock formation is covered in snow, with a line of icicles hanging from its edge. The water is a deep blue color, and the overall scene is serene and majestic.

**Psalms 108:08 Gilead is mine;
Manasseh is mine; Ephraim also is
the strength of mine head; Judah
is my lawgiver;**
