

A large, dark green watermelon is the central focus, resting on a bed of vibrant green leaves. The leaves are large and have a serrated, wavy edge. The watermelon is round and has a slightly textured surface. The background shows more of the same foliage and some sandy soil, suggesting a field or garden setting. The lighting is bright, creating strong shadows and highlights on the leaves and the watermelon.

Lamentations 03:22 It is of the  
LORD'S mercies that we are not  
consumed, because his  
compassions fail not.
