

A close-up photograph of a field of golden wheat. The wheat stalks are in sharp focus in the foreground, showing their characteristic awns. In the background, the wheat is slightly out of focus, creating a sense of depth. Interspersed among the wheat are several green weeds with broad, rounded leaves, providing a color contrast to the golden grain.

into the perfect law of liberty, and
continueth therein, he being not a
forgetful hearer, but a doer of the
work, this man shall be blessed in
his deed.**
