

A close-up photograph of a bouquet of flowers. The bouquet is dominated by numerous small, delicate white flowers with green centers, known as baby's breath. Interspersed among these are several larger, more prominent flowers. On the right side, there is a large, vibrant purple flower with many petals. Below it, a smaller, darker purple flower is visible. In the bottom right corner, a portion of a blue flower with a yellow center is seen. The background is dark and out of focus, making the flowers stand out.

the secret place of the most High
shall abide under the shadow of
the Almighty.
