

A close-up photograph of two vibrant red tulip buds. The buds are tightly packed with petals, showing a rich, deep red color. They are surrounded by several large, green, pointed leaves that are slightly out of focus. The background is a soft, blurred mix of green and dark tones, creating a natural and serene setting for the flowers.

**1st Chronicles 16:17 And hath
confirmed the same to Jacob for a
law, and to Israel for an
everlasting covenant,**
