

2nd Chronicles 10:18 Then king Rehoboam sent Hadoram that was over the tribute; and the children of Israel stoned him with stones, that he died. But king Rehoboam made speed to get him up to his chariot, to flee to Jerusalem.

A butterfly with brown and white wings is resting on a stone surface. The butterfly is positioned in the center of the image, with its wings spread. The stone surface is textured and appears to be part of a larger structure, possibly a wall or a step. The lighting is natural, highlighting the intricate patterns on the butterfly's wings and the rough texture of the stone.
