

A cluster of green grapes is the central focus, hanging from a wooden trellis. The trellis is made of weathered, greyish-brown wooden beams that crisscross diagonally across the frame. The grapes are small, round, and have a vibrant green color. They are surrounded by lush green leaves, some of which are slightly out of focus. The background is a soft, out-of-focus green, suggesting a garden or vineyard setting. The overall lighting is bright and natural, highlighting the textures of the wood and the freshness of the grapes.

forth for the salvation of thy
people, even for salvation with
thine anointed; thou woundedst
the head out of the house of the
wicked, by discovering the
foundation unto the neck. Selah.**
