

A close-up photograph of a large yellow chrysanthemum flower. The petals are numerous, thin, and slightly curled, creating a dense, textured appearance. A small, dark fly is perched on one of the petals in the center of the flower. The background is dark and out of focus, showing other similar flowers.

**Deutronomy 30:05 And the LORD  
thy God will bring thee into the  
land which thy fathers possessed,  
and thou shalt possess it; and he  
will do thee good, and multiply  
thee above thy fathers.**
