

A close-up photograph of a green praying mantis on a leaf. The mantis is the central focus, with its long, segmented body and spiky legs clearly visible. It is positioned on a large, green leaf. In the background, a butterfly with orange and black wings is partially visible, though out of focus. The overall scene is set in a natural, outdoor environment with soft lighting.

**2nd Timothy 01:08 Be not thou  
therefore ashamed of the  
testimony of our Lord, nor of me  
his prisoner: but be thou partaker  
of the afflictions of the gospel  
according to the power of God;**
