

A monarch butterfly with its characteristic orange and black wings is perched on a mound of dark, rich soil. The butterfly's body is dark, and its wings are spread, showing the intricate patterns of orange, black, and white. The background is a soft-focus view of the soil, which has a granular texture. The text is overlaid on the image in a white, serif font, centered and spanning most of the width of the image.

**2nd Chronicles 33:19 His prayer
also, and how God was entreated
of him, and all his sins, and his
trespass, and the places wherein
he built high places, and set up
groves and graven images, before
he was humbled: behold, they are
written among the sayings of the
seers.**
