

A close-up photograph of a bird's nest made of twigs, surrounded by green leaves and branches. The nest is the central focus, with a small, shiny object (possibly a piece of metal or a small bird) visible within it. The background is filled with various shades of green leaves and branches, creating a natural, outdoor setting.

**Genesis 40:17 And in the
uppermost basket there was of all
manner of bakemeats for Pharaoh;
and the birds did eat them out of
the basket upon my head.**
