

**Job 40:18 His bones are as strong
pieces of brass; his bones are like
bars of iron.**

A close-up photograph of a purple orchid flower. The flower is the central focus, with its large, velvety petals in shades of purple and magenta. The center of the flower shows a patterned lip with yellow and brown spots. To the right, a green stem extends outwards, bearing two dark purple, unopened buds. The background is a soft, out-of-focus green, suggesting a natural setting.
