

**Joel 02:31 The sun shall be turned
into darkness, and the moon into
blood, before the great and the
terrible day of the LORD come.**

A photograph of a pond with a large pile of brown, decaying leaves floating in the water. The water is a dark, murky green color. The leaves are scattered across the middle and lower portions of the frame, creating a dense, textured area of brown and tan. The background shows the calm surface of the pond with some ripples and a few more leaves scattered around.
