

A photograph of a potted plant with a variety of flowers. The flowers include bright yellow ones at the top, red ones in the middle-left, purple ones on the right, and a cluster of white flowers with yellow centers in the foreground. The leaves are green and textured. A wooden handle with a black knob is visible on the left side of the pot. The background is a dark, textured surface.

Revelation 14:20 And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.
