

2nd Chronicles 14:03 For he took
away the altars of the strange gods ,
and the high places, and brake
down the images, and cut down
the groves:

A photograph of several orange butterflies resting on smooth, grey rocks. The text is overlaid on the image. The butterflies are of various species, with some showing distinct patterns on their wings. The rocks are arranged in a natural, somewhat circular pattern. The background is dark and out of focus, suggesting a natural outdoor setting.
