

**Esther 06:12 And Mordecai came  
again to the king's gate. But  
Haman hastened to his house  
mourning, and having his head  
covered.**

A serene sunset scene over a beach. The sun is low on the horizon, casting a golden glow across the sky and reflecting on the wet sand. The sky is filled with soft, orange and yellow clouds. The beach is wide and sandy, with gentle waves lapping at the shore. The overall mood is peaceful and contemplative.
