

A close-up photograph of a bouquet of flowers. The bouquet features several clusters of small, five-petaled flowers in shades of purple and pink. The flowers are set against a background of lush green foliage, including some large, dark green leaves in the foreground and some reddish-pink leaves in the upper left corner. The lighting is bright, highlighting the colors of the flowers.

Genesis 37:32 And they sent the coat of many colours, and they brought it to their father; and said, This have we found: know now whether it be thy son's coat or no.
