

A close-up, slightly blurred photograph of a field of golden wheat. The stalks are densely packed and have a warm, yellowish-brown hue, suggesting they are ripe. The background is a soft, out-of-focus expanse of more wheat, creating a sense of depth and texture. The lighting is bright and even, highlighting the individual grains and the overall texture of the crop.

testimony: if they speak not
according to this word, it is
because there is no light in them.**
