

A close-up photograph of a vibrant red rose with green leaves in the background. The rose is the central focus, with its petals showing a rich, deep red color and some lighter, almost white, variegation. The petals are layered and ruffled, creating a sense of depth and texture. The background is dark and out of focus, showing more green leaves and the faint outlines of other roses, which makes the main rose stand out prominently. The lighting is soft, highlighting the delicate edges of the petals.

**Exodus 09:24 So there was hail,  
and fire mingled with the hail,  
very grievous, such as there was  
none like it in all the land of Egypt  
since it became a nation.**
