

A vibrant, high-angle photograph of a waterfall cascading over large, rounded rocks covered in thick, bright green moss. The water is captured with a long exposure, creating a soft, ethereal white mist as it falls. The surrounding forest is dense and green, with sunlight filtering through the trees, creating a dappled light effect on the moss and water. The overall scene is serene and natural.

Acts 05:39 But if it be of God, ye cannot overthrow it; lest haply ye be found even to fight against God.
