

A close-up photograph of a white rose with water droplets on its petals, set against a dark background. The rose is the central focus, with its petals layered and slightly curled. The water droplets are scattered across the surface of the petals, catching the light. The background is dark and out of focus, making the rose stand out prominently.

the midst of her; she set it upon  
the top of a rock; she poured it not  
upon the ground, to cover it with  
dust;**
