

A black butterfly with white markings on its wings is resting on a surface of reddish-brown soil. The butterfly's wings are spread, showing a prominent white patch on the upper wing and a smaller one on the lower wing. The soil is textured and appears to be a mix of fine particles and small clumps.

was twenty and five years old when  
he began to reign, and he reigned  
eleven years in Jerusalem: and he  
did that which was evil in the sight  
of the LORD his God.**
