

A close-up photograph of a garden filled with petunias. The scene is dominated by two colors: bright yellow and deep purple. The yellow flowers are scattered throughout, some in the foreground and some in the background. The purple flowers are also interspersed, with some large, fully bloomed ones in the center and others as buds or smaller flowers. The green leaves of the plants are visible, providing a lush background for the colorful blooms. The lighting is bright, suggesting a sunny day, and the overall composition is dense and vibrant.
